

The **Toyota Hilux Double Cab 2.8L** is the ideal rental vehicle for self-drive tours with 4 to 5 passengers. This versatile four-wheel-drive is suitable for all roads throughout Southern Africa and is built to handle even more challenging terrain. Its high ground clearance and large tyres ensure a smooth, comfortable drive on gravel roads while offering an elevated vantage point for wildlife viewing.

Renowned for its reliability and performance, the Hilux 2.8L is a popular choice for bush camping adventures or guided safaris. It easily tackles rugged landscapes, from dune driving in the Namib Desert to expeditions into Angola (***please note: Dune-trips or travel to Angola is only permitted with prior written approval from Africa on Wheels, and different rates and conditions apply – contact us for details.***).

This model features a powerful 2.8L Turbo Diesel engine with a 6-speed automatic transmission and selectable four-wheel drive. For added comfort and convenience, it comes equipped with power steering, ABS brakes, air conditioning, a radio, and USB/Aux ports – ensuring an enjoyable and safe journey wherever the road takes you.

BASIC EQUIPMENT:
